## Old Business

---

Susie reached out to 3 uniform companies and received basic information back. Estimates came in between \$375-\$475, with the Miller company coming in with the lowest cost.

Dave would like to approach the school district to ask for a donation towards the purchase of the uniforms.

The goal is to have the uniforms purchased by 2019, or to place an order by the end of this marching band season.

Board elections are coming up. Should be happening in May, but the suggestion has been made to push this back to June to allow for new membership.

Rhonda will look for the template of the booster pamphlet for printing and distribution.
