Director's Report

David Leisten – Band

* Started with pre camp, kids doing a good job coming out of covid. Lost a lot of seniors last year, kids doing great considering and working hard. Kids working well in groups, should be in good shape by the end of camp. Looking forward to getting back to normal.

T-Shirts will be ordered as part of their fees, each student gets 1 shirt. If they want an extra

shirt, can order extras. Will be sending out a separate email tomorrow, if you have turned in paperwork already, you do not need to reorder. Basically a google form for \$20/shirt. Order in after Sunday when registration is done. After Sunday this is the final order. Will not arrive in time for end of camp. Not performing that Friday anyhow. Maybe 2 weeks for delivery.

Getting to camp and set up; need to ensure we have people to pull trailers. Currently can get 1 trailer pulled. Mark for now can pull 1, and Snodderly's can pull 2. Usually haul 3 for camps, but have new trailer so we may not need that many. Leiston thinks we can fit all in 2 trailers, w/ taking scaffolding, carts and stands. Once arrived at camp, would like to get help to set up scaffolding. Chuck, Chasity and Gary will all possibly be there to train new volunteers. Should be all set with those 2 items. Boosters may potentially come out with a snack bar for the kids. Per Connie and Denise, we have some supply left from basketball we can pull and use up. Maybe do a snack bar Tuesday and Thursday that week. Will load everything on Thursday during camp. Kandice will come that day and help a couple hours.

Normally do not allow people to come and go, but for certain situations is allowed. I.E. appointments. Go away camp allows for 100% attendance which is so important, which is why we continue to do "go away" camp. Just notify staff if you need to come to camp for anything.

Will be using all 5 backdrops. Need volunteers for pit crew chief, preferably a pit parent. Prop Organizer volunteer as well w/ light building skills. Stephanie has design prop for guard which may need help w/ as well. Expecting 3-4 props for guard.

16 seniors

Kandice to bring popsicles for camp.

Need to schedule a performance at Barnitz, and receive the full fall schedule by end of camp. Still need to coordinate away games, although GMAC has basically ended all away games performances, but we can still go as a pep band. Maybe only do 3 away games.

Joe Woodring– Show Choir

* Questions about another round of auditions for this fall. Auditions will be held next Monday night, if student can't make it, get them in touch w/ Joe. Doing them next week to get schedules changed prior to the start of school. Does not include combo, at this time.

Corey Hall – Orchestra

* no report

Stephanie Miller – Guard

*no report

Committee Reports

Committee Reports

Maintenance & Transportation – need a person to take the lead on transportation. Need to transfer title and keys to MCSD. Lettering for trailers; place used before did shoddy work, but lettering was decent. May put sponsors on the back of trailers. Need to look into prices. Can get quotes prior to Sunday/camp and do a vote later. Digital Video has done work for school before.

Uniforms & Costumes – Going well. Have 9 that have not been fitted fully, and 3 who needs completed. Need to order field commander jacket. Need to get new beanies ordered. Those will be ordered w/ the shoes. If color guard needs to wear the summer shirts, they will need to be fitted. Usually use the show shirt for the 1st game. Cancelling tomorrow evening fitting, no students scheduled.

Hospitality & Celebrations –

Concessions – need concession chair. Denise is willing to help start out, will be a couple games she can't help w/. Do not do concession for scrimmages. Aug. 7th is a scrimmage, Saturday morning at 10 am. Boosters decided to pass on scrimmage concessions. Need to schedule concessions clean before the start of the season. JD said we can do full menu food this year, no covid restrictions to date. Need lots of volunteers for cleaning. Week before Aug 20. Either that week or before. Do counter wipe day of stocking. Also need to get a Coke order in soon. Will check with Amber for possibly broken cooler, Coke needs called. Monday, Aug. 9th for cleaning at 5:30. Will have cleaning supplies. Will put order in w/ GFS. Will contact GFS to see if they can provide receipts to help with inventory. Need to have order done by Aug 16th. You can order w/ Coke the week prior, w/ delivery on Tuesdays, directly at stand 3 at Barnitz. Need volunteers for concessions. Kandy and Mandy, Denise and Chasity to work on transition of who heads concessions. Kids w/ NHS hours can also help the cleanup. Will post on FB and recruit at camp for the 28 volunteers needed.

Website & Publicity – Kendra transferred all info over to Shana.

Ways & Means – Kandy may lead committee. Cookie Dough is always a good fundraiser. No trip this year, but is exciting for the kids. Can still do pies and wreathes as well. Can set own prices on wreathes, and disperse to student accounts or general funds.
