Director's Report

David Leisten – Band

- Fundraiser is done, thanks to Kandi. Orders submitted. Tshirts: 12 orders, Dave feels we should not make the order, due to cost. Leaving decision up to Boosters. Cost would be 1k. Julie recommended an alternative suggestion to make up for those who didn't get their complete order just those few missing. Props, Isabel got up on stand. Going to try a second plan, and work with Theo. Will be full size, and put it behind the stand. Wanting to see if someone would volunteer to take black fabric and velcro to cover wood and not blow around. Field Commander jackets, need to go down and look at the old purple. Possibly put Ed in gray and Joe in the old purple. New coats ordered, just not delivered until December. Need to select field commanders in February for fitting purposes. Unsure of budgeting, but need to pay Max for writing and extra work. Would like to supplement his money for time spent. Asking for \$900 to bonus to Max from band budget. Kandi makes a motion, Julie & Monica 2nd, all approve. Put out info for necessary donations for food for competitions. Did so by section this year vs. grade. Overflow will be stored at school and utilized next at Hamilton. Dave recommends the office by the music library. For food drop off, drop off at loading dock on Saturday. Feeding kids for comps makes a world of difference in the kids behavior and performance. Been an interesting start to the year. Very thankful for boosters and parent volunteers. No answer to homecoming parade. Decision was possibly made today but unsure. Trying to move away from performing random music during halftime of homecoming game. Dave and JD both think we should do our show that night. Alumni coming that night and recognizing Rick for service. Asked if maybe doing a gift of some sort for Rick from the boosters.

Corey Hall – Orchestra

* Flower delivery Monday from 5-6, asking for help from Kohls Cares, asked for volunteers from boosters as well. Butter braids in November, will forward money to Sarah.

Stephanie Miller – Guard

Joe Woodring - Choir

*Thanks to kohls, volunteers helped get all uniforms laundered. Need 1 or 2 more people to help on game nights. Asked to have a janitor to fix lights down at the stadium. Dave needs to input a work order for visitors band side through the office. Gary is almost done w/ trailer and outfitted w/ hanging racks. Thursday they will move rack over. Have receipts for gary. We also have a lot of the parent shirts made (from seasons prior), will inventory list and put up on facebook. Maybe sell for \$5 each. Going to try and do hats tomorrow, Dave would like a list from Monica. Need to practice taking hats off and on during dance routine.

Hospitality & Celebrations –

- Sarah will do beef sandwiches and we will accommodate for the dietary needs of identified students. We will pull from donated items by parents for chips and cookies, as well as use the donated water. Will feed kids at school prior to loading buses and heading to Hamilton.
