

MMAC Booster Meeting 7/13/20

Leiston, Connie, Monica, Melissa, Angela & Rodney Mcglothlin, Candace, Theo, Chuck, Chastity, Papaw, Erica & Gary Ratliff, Gary

Directors Report: Leiston

started, few days of practice. distancing is making it different. hopes that kids can see past the barriers and enjoy it still. wants to still do traditional things like senior night
if we have weather, band will cancel b/c we cant play inside. hopes for instruments next week.
distanced and outdoors. need to be able to do small group sectionals
camp schedule is not much different than normal.
lunch provided to entire band by midday meal machine.
break at 230 to go home, return 6-9. home camps at other schools set up similarly. once were allowed to be on the field we will be in good shape. need to get through hurdles.
still playing by ear. not emphasizing fees just yet. we have not yet spent money, haven't ordered shirts or backdrops due to covid.
if things move forward as normal we will be ready, just trying to balance. not a whole lot of building for props.
Florida Trip: october wont work, postponed to may. not scheduled currently, looking at dates. would lose money if we dont reschedule.
kids are doing good at distancing, only a few reminders needed.
Competitions, scheduled for several, word on if they will be held is up in the air. only ratings, with 4 band increments. no placement awards. may cap at 12 or 15 bands in a day.
Melissa is working on providing kids dinner from area restaurants. dinner can be sent home with kids at 230.
chastity working on kona ice for kids during camp. to rent for a small ice for each kid, 2 bucks per serving. if we do a fundraiser, the kids pay 3-5 dollars. booked for 7/30. motion to pay for it, connie and monica 2nd.
senior night possibly on a thursday evening after practice, or the following friday afternoon.
chickfila is committed to feed kids, waiting on subway.
133 a cpl wks ago, 120 as of today w/ color guard.
policy for if a kid quit, they cant come back. not the case this year b/c of covid.
if there is no football, there will be no band. omea will go along with what the state says.
boa is close to pulling the plug, but hopeful for the omea.

Treasury Report: See Connies Report

What to do with Florida money for kids who no longer can go.

Charms almost up and running, leiston has forms for kids to link with student id's and email.
uniforms needs relisted to students, was accidently deleted.

Committee Reports

1. Hospitality

ben and mandy nicholas are now in charge of hospitality. family of caterers. will get with tammy. 1st contest date is scheduled 9/19 or 9/26. every wkend has a contest scheduled for all wekends except homecoming wkend. leiston will cancel some.

2. Transportation

not getting trailer and need to shuffle around equipment. chuck needs to get leiston on whats needed. only thing left in trailer is golfcart.

3. Concessions

unsure if denise is doing concessions. update from athletics on concessions, amber said we are allowed to do concessions, 2500 people in stands for football and basketball. have to wear gloves and mask, needs to social distance. thinking 5 people per stand. band needs bleachers for football game. can go to visitor side. no away games. should vote next month on new committees. need to stock stands and schedule cleaning. need to figure that out before next meeting.

4. Craft Show

unsure if we can do it. 7 applications in for craft show. has lakota already cancelled? nov. 15 currently for craft show day.

5. Ways & Means

masks made with middle logo. can have masks made with black backdrop and purple middies m. cheer is selling them but kind of funky. ones we can get are cotton. if we can match and is inexpensive, we can. chasity will look into mask options. fundraising will be difficult. no cookie dough or anything right now. masks potential fundraiser.

6. Uniforms

Monica is now in charge of uniforms. holding off on fittings, pictures scheduled 8/20. before the 1st game, 1st time in uniform is picture day. sept 1st is 1st game. will schedule fittings after camp

we can try and do fittings during camp times. monica is not here during the week of bandcamp. recommends evenings for more volunteers, will figure out distancing.

maybe do google sign up to assist with distancing. do by grade level. recommended the 10 & 11 during evening camps for fittings. will get with tammy soon.

7. Policy and Website

social distancing, sanitizers are working well for leiston. white dog distillary providing sanitizer. currently ok on sanitizer. kendra has everything updated on website.

New business

masks as part of uniform?
